Residential Installation

Limited First Year

Amana Heating and Air Conditioning will provide free parts, f.o.b. Amana, Iowa, for any part which is defective due to workmanship or materials.

Limited Second through Fifth Year

Amana Heating and Air Conditioning will provide free parts, f.o.b. Amana, Iowa, for any functional part (condenser coil, evaporator coil, condenser motor, evaporator motors, condenser fan, blower wheel, pressure switches, expansion devices, contactors, transformers, relays, control board, high pressure switch, low pressure switch, capacitor, compressor, control boards, limit switches, defrost boards, 30/60 control, reversing valves, and check valves) which is defective due to workmanship or materials.

Limited Second through Seventh Year

Amana Heating and Air Conditioning will provide a free compressor, condenser coil, or evaporator coil, f.o.b. Amana, Iowa, for any compressor which is defective due to workmanship or materials, or any condenser coil, or evaporator coil which is defective due to non-reparable refrigerant leak(s) due to workmanship or materials.

Non-Residential Installation

Limited First Year

Amana Heating and Air Conditioning will provide a free replacement part, f.o.b. Amana, Iowa, for any part which is defective due to workmanship or materials.

Limited Second through Fifth Year

Amana Heating and Air Conditioning will provide a free compressor, f.o.b. Amana, Iowa, for any compressor which is defective due to workmanship or materials.

Warranty Limitations

- Begins at date of original purchase.
- Applies only to original installation and normal use within the United States or Canada.
- Service must be performed by an authorized Amana® servicer.

Warranty Is Void If

- Serial plate is defaced or removed.
- Product has defect or damage due to product alteration, connection to an improper electrical supply, shipping and handling, accident, fire, flood, lightning or other conditions beyond the control of Amana Heating and Air Conditioning.
- Product is not installed according to Amana Heating and Air Conditioning's instructions and specifications.
- Product is operated in a corrosive environment containing concentrations of corrosive agents causing deterioration of metal components.

Owner's Responsibilities

- Provide proof of purchase (sales receipt).
- Provide normal care and maintenance.
- Make product reasonably accessible for service.
- Pay for freight, labor and travel.
- Pay for service calls related to product installation.

In no event shall Amana Heating and Air Conditioning be liable for incidental or consequential damages.*

*This warranty gives you specific legal rights and you may have others which vary from state to state. For example, some states do not allow the exclusion or limitation of incidental or consequential damages so this exclusion may not apply to you.
