Residential Installation
First through Fifth Year

Amana Heating and Air Conditioning will provide a free replacement part, f.o.b. Fayetteville, Tennessee, for any part which proves to be defective due to workmanship or materials.

Limited Lifetime Heat Exchanger Warranty

To the original purchaser only for as long as the original purchaser resides in the home where the furnace is initially installed. Amana Heating and Air Conditioning will provide a complete new highest efficiency equivalent Amana furnace, f.o.b. Fayetteville, Tennessee, in the event the heat exchanger assembly (primary heat exchanger or recuperator coil) which proves to be defective due to workmanship or materials.

If the original purchaser no longer resides in the home, has sold the home to subsequent owner, or proof of purchase is not provided, the warranty is limited to twenty-five years from date of manufacture. Amana's responsibility, in this case, becomes limited to, at its option, providing a replacement heat exchanger assembly or a credit toward the purchase price of an equivalent Amana high efficiency gas furnace.

This limited lifetime heat exchanger warranty does not include diagnostic time, service labor, duct work or local transportation.

Non-Residential Installation
First Year

Amana Heating and Air Conditioning will provide a free replacement part, f.o.b. Fayetteville, Tennessee, for any part which proves to be defective due to workmanship or materials.

Second through Tenth Year

Amana Heating and Air Conditioning will provide a free heat exchanger or recuperator coil, f.o.b. Fayetteville, Tennessee, for any heat exchanger or recuperator coil which proves to be defective due to workmanship or materials.

Warranty Limitations

- Begins at date of original installation.
- Applies only to original installation and normal use within the United States or Canada.
- If subsequent owner in a residential installation, or if proof of purchase cannot be provided, lifetime heat exchanger and recuperator coil warranty converts to a 25 year warranty from date of original manufacture.
- Service must be performed by an authorized Amana Heating and Air Conditioning servicer.
- Does not apply to rental property.

Warranty Is Void If

- Serial plate is defaced or removed.
- Product has defect or damage due to product alteration, connection to an improper electrical supply, shipping and handling, accident, fire, flood, lightning or other conditions beyond the control of Amana Heating and Air Conditioning.
- Product is not installed according to Amana Heating and Air Conditioning's instructions and specifications.
- Product is operated in a corrosive environment containing concentrations of corrosive agents causing deterioration of metal components.

Owner's Responsibilities

- Provide proof of purchase (sales receipt).
- Provide normal care and maintenance.
- Make product reasonably accessible for service.
- Pay for freight, labor and travel.
- Pay for service calls related to product installation.

In no event shall Amana Heating and Air Conditioning be liable for incidental or consequential damages.*

*This warranty gives you specific legal rights and you may have others which vary from state to state. For example, some states do not allow the exclusion or limitation of incidental or consequential damages so this exclusion may not apply to you.
